TO NOTE:

- After obtaining campus permit, students may move their vehicles to their permanent parking location.
- All Boise State University parking and traffic regulations apply during events. Parking is not permitted in fire lanes, no parking zones, accessible spaces (without permits), or other areas not posted for parking. Residence halls and housing areas are also monitored by traffic attendants and are not open to public parking. Other special areas may be closed to public parking at the request of, and at an additional cost to, the sponsoring venue of the event. Failure to comply with parking regulations and/or verbal directions of traffic attendants when campus events are in progress may result in issuance of parking citations, actions by Boise Police Department, or impounding/towing of vehicle.
